

## Malibu

Got a call from a friend of mine  
Said, "Come out and see me some time"  
He lives in Malibu

Lots of pretty people there  
Movie stars with gold in their hair  
He lives in Malibu

Ooh...Malibu  
Ooh...Malibu  
Ooh...Malibu  
Ooh...Malibu

When the sun comes up in the USA  
It sets in California  
Move over...here I come

Gonna get a tattoo and pierce my ear  
Lease a Mercedes, grow a goatee beard  
I'll be styling in Malibu

Ooh...Malibu  
Ooh...Malibu  
Ooh...Malibu  
Ooh...Malibu
