

Come Monday

California Dreaming used to take up all my time
Ohio winters would freeze my behind
I see me and Shaquille drinking champagne wine
In the California sunshine

Come Monday morning or Tues. afternoon
We'll be long gone, none too soon
Come Monday morning or Tuesday
Monday morning or Tuesday
Monday morning or Tuesday afternoon

I sold my t.v. to the guy at the hardware store
Cashed in all the bottles I kept outside my door
Said goodbye to the Dairy Queen & the dog food factory
Send my mail care of El Coyote

Come Monday morning or Tues. afternoon
We'll be long gone, none too soon
Come Monday morning or Tuesday
Monday morning or Tuesday
Monday morning or Tuesday afternoon
Come Monday morning or Tuesday
Monday morning or Tuesday
Monday morning or Tuesday afternoon

Come Monday morning or Tues. afternoon
We'll be long gone, none too soon
Come Monday morning or Tuesday
Monday morning or Tuesday
Monday morning or Tuesday afternoon
Come Monday morning or Tuesday
Monday morning or Tuesday
Monday morning or Tuesday afternoon
Come Monday morning or Tuesday
Monday morning or Tuesday
Monday morning or Tuesday afternoon
